The first five years of marriage are at the highest risk of divorce. 23% of all Catholic marriages end in divorce within the first 5 years. The antidote: community, friendship, and a healthy marriage and family life. Through walking the Way of Love we seek for these couples to not only survive but thrive and be living signs of God’s love in the world.

Be Light is a five year Marriage Enrichment (Mystoglia) movement that draws married couples closer together in Christ while being transformed into family missionary disciples within their own communities. This path not only supports newly married couples during the fundamental first five years of their marriage but also helps all married couples in a community to open their hearts to the powerful way God remains present to them and in the Holy bond of Matrimony. The five year sequence builds upon the opportunities for growth and fulfillment that takes place over and over again in the intimate and personal way Christ encounters married couples in their interactions together.

Couples will develop the following:

- A sense of belonging to a discipleship community
- Believing in the good news revealed about the Sacrament of Matrimony in Christ
- Becoming a couple growing deeper in the moral virtues while embracing the church’s moral teachings
- Living freely in the Beatitudes
- Become a light to the nations as evangelizing spouses.

Year 1

Continued Accompaniment by Mentor Couple and Parish Community

Year One: The Year of Belonging, Being at Peace

Belonging to a faith community is a critical component of spiritual commitment. We are created to belong, and our greatest fear is that we will not belong. Belonging provides a sense of peace that leads to a deepening commitment to one another while lowering the anxiety and ambivalence many have about relationships. Topics include: Introduction to Domestic Church, Walking Together, “You have made us for yourself and our hearts are restless until we rest in You, God!” St. Augustine

- **Evangelization Focus:** *A Year of Movement from Wanderer to Seeker*
- **Supporting Sacrament:** *Sacrament of Baptism*

Reflection for the Year: (CCC 357).

EXPERIENCE A NEW MARRIAGE MOVEMENT

Year 2

Continued Accompaniment by Mentor Couple and Parish Community

Year Two: The Year of Believing, Theological Virtue of Faith

Within relationships we see practical, real-world examples of faith and how belief in God shapes the way we interact with one another. We also get a better understanding of ourselves and can begin to discover answers to questions that are vital to good marriages. To succeed here we dive into developing our faith through a discovery of who God is and who we are in Him. This year is focused primarily on growing in the virtue of faith through the supporting practices of: belief, witness, and service.

- **Evangelization Focus:** *A Year of Movement From Seeker to Believer*
- **Supporting Sacrament:** *Sacrament of Holy Matrimony*

Reflection for the Year: (CCC 358).

Year 3

Continued Accompaniment by Mentor Couple and Parish Community

Year Three: The Year of Becoming, Theological Virtue of Hope

Through a deepening desire of reverence for Christ as the basis of the relationship between spouses, trust is more deeply established as the good of the Sacrament of Marriage forming a couple in the unbreakable character or the indissolubility of the marital bond. The year deepens and enkindles a message of hope in the hearts of couples in the Transcendent Third.

- **Evangelization Focus:** *A Year of Movement From Believer to Disciple*
- **Supporting Sacrament:** *Reconciliation, Healing and Forgiveness*

Reflection for the Year: (CCC 359).

Year 4

Continued Accompaniment by Mentor Couple and Parish Community

Year Four: The Year of Beatitude, Theological Virtue of Charity

In the Year of Beatitude, we are being formed in the theological virtue of Charity. We are delving into that place where friendship with God becomes very real to us. It is a place where we interact and receive all that He shares with us. It is the experience of God drawing us into an abiding and long lasting happiness and beatitude. For our purposes here we will see how it is within marriage and family, that “first and vital cell of society,” that God offers to us a friendship that endures and transforms our marriage and our home with Christ dwells and calls us to live his!

- **Evangelization Focus:** *A Year of Movement From Disciple to Apostle*
- **Supporting Sacrament:** *Holy Eucharist*

Reflection for the Year: (CCC 360).

Year 5

Continued Accompaniment by Mentor Couple and Parish Community

Year Five: The Year of Be Light, Virtue of Magnimity

The Year of Light moves couples into becoming authentic ambassadors of Christ in the world. They are formed in the model of Aquila and Priscilla, the married couple described in several parts of the New Testament as evangelizing with St. Paul. The Year of Light impels Evangelizing spouses to be missionary outposts of their local parishes providing pastoral the “closeness and gratuity,” which are essential elements of evangelization and authentic faith formation.

- **Evangelization Focus:** *From Apostle to Evangelizing Spouses/Family Missionaries*
- **Supporting Sacrament:** *Sacrament of Confirmation*

Reflection for the Year: (CCC 361).
