

Small Group/ Marriage Enrichment Formation Resources:

Thank you for sharing your witness as a Witness to Love mentor couple. As a dynamic marriage champion, we invite you to explore more digital resources in the app. We desire to renew the church through relationships and we thank YOU for being part of our mission.

Be More: A Marriage Formation Retreat by Witness to Love was developed to provide couples a pathway to grow in community, identity and understanding their mission. To each and every couple preparing to receive and live out the Sacrament of Matrimony in today's world - you were born for a time such as this and the grace of the sacrament is real and effective in our lives! Let us walk with you, your mentors, and your church community as you prepare to *be more* in Christ!

Be More retreat format is divided into two sections: Theology and Life Skills Lessons. The Theology lessons will dive deep into the Sacrament of Marriage, the Grace of the sacrament and Church teaching in regards to marriage. The Life Skills lessons offer guidance and experience in various aspects of marriage and family life.

Be Light Marriage Enrichment Small Groups by Witness to Love *Be Light* is a five year Marriage Enrichment movement that draws married couples closer together in Christ while being transformed into family missionary disciples within their own communities. This path not only supports newly married couples during the fundamental first five years of their marriage but also helps all married couples in a community to open their hearts to the powerful way God remains present to them and in the Holy bond of Matrimony. The five year sequence builds upon the opportunities for growth and fulfillment that takes place over and over again in the intimate and personal way Christ encounters married couples in their interactions together. Each month for five years, we will release new testimonies, podcasts, and music videos.
