## WITNESS TO LOVE VIRTUAL PATHWAY

### WHAT IS THE VIRTUAL PATHWAY?

Witness to Love is a virtues-based, mentor-led Catechumenate model of marriage formation and renewal. Engaged or civilly married couples are encouraged to choose a mentor couple that they trust, admire, and see as a witness of God's love in the way they live out their sacramental marriage. Mentors offer newlyweds a concrete connection and integration into the parish and experience a renewal of their own marriage in the process!

While this model works best at the parish level, we are happy to offer couples and mentors from parishes that have not yet adopted Witness to Love an accessible Virtual Pathway with coaching from one of our WTL Ambassadors.
