

Be More: A Marriage Formation Retreat by Witness to Love Course Outline

Be More: A Marriage Formation Retreat by Witness to Love was developed to provide couples a pathway to grow in community, identity and understanding their mission. To each and every couple preparing to receive and live out the Sacrament of Matrimony in today's world - you were born for a time such as this and the grace of the sacrament is real and effective in our lives! Let us walk with you, your mentors, and your church community as you prepare to *be more* in Christ!

Meet the retreat presenters here: <https://witnessstolove.org/be-more/>

Be More retreat format is divided into two sections: Theology and Life Skills Lessons. The Theology lessons will dive deep into the Sacrament of Marriage, the Grace of the sacrament and Church teaching in regards to marriage. The Life Skills lessons offer guidance and experience in various aspects of marriage and family life.

We encourage you to invite other couples to join you for your retreat experience- mentor couple, other engaged couples, family members, etc. Please complete the retreat at your own pace and do not rush through the lessons. *Be More* is an opportunity to address topics and have intimate conversations with your beloved that will bear fruit for years to come.
