### Endorsements

“As an educator and a retreat center director I needed a solid, authentically Catholic marriage preparation option for my engaged couples. Even though I am not a parish priest I know couples need to remain rooted in the sacramental and communal life of the Church. Sending them to online marriage preparation was not an option but given the fact that the couples I prepare live in other states I had to find a creative solution. Witness to Love's Hybrid Experience has been seamless and a beautiful way to prepare well the couples whose marriages I have been blessed to witness.” - **Fr. Patrick Hough, S.J. (Director, Grand Coteau Retreat, LA)**

“After four years of serving in the Navy as a Chaplain, I can say that there is no better marriage preparation program for me than *Witness to Love*. All too often I have found myself preparing couples for marriage with little to no local resources. Witness to Love fills this gap, granting me the assurance that America's servicemen and women are receiving premium preparation even in less than ideal circumstances.” - **Fr. Rene Pellessier, LT, CHC, USN**
